**NOTE:** (1) It is expected that each member of the Board will designate a deputy whose responsibilities include all matters over which the Board itself has cognizance. In the absence of the three principal Board members at any meeting, the Director will act as chairman. The Board may solicit the advice of non-governmental consultants as required.

(2) No attempt has been made to specify which unit or units would perform each of the Staff functions listed on the preceding page. In view of the small size of the proposed Staff this should be left to the Director who will allocate them in accordance with the individual qualifications of his assistants. In performing these functions, however, the Staff will utilize to the maximum extent the facilities and resources of the participating departments and agencies.
